

# KIDS CLASSES

## -KIDS CLUB SOCC-

Kids Skating Thursdays South Oxford Community Centre (Indoor Hall)  
Every Thursday from 4-5 pm, children aged 6-12 can enjoy fun skating classes in our indoor hall at Marston Scout Group. Parents can register for £55 per month or £150 for three months.

In these sessions, kids will learn the foundations of skating, pushing, rolling, turning, stopping and falling safely, all taught through games and playful activities that make learning exciting. Skating helps kids build confidence, improve coordination, make friends and stay active while having fun.

Skates are not included, but we offer 5% off at our partner shop and up to 30% off Micro Skates to help you get the perfect pair.
